

## **Master's Degree Change of Major**

Effective: July 1, 2011

### **PROCEDURES:**

- 1.) Complete the Petition for Change of Major (see next page). Admission to the new program is contingent upon the student meeting the new program's admission requirements.
- 2.) Send the completed form to your advisor. Your advisor will contact you about any additional supporting materials that may be required.
- 3.) Your advisor will notify you of a decision.

**Graduate School of Computer  
and Information Sciences**
