<http://ijcscl.org>

A new journal sponsored by AERA. The primary aim of the journal is to promote a deeper understanding of the nature, theory, and practice of the uses of computer-supported collaborative learning. A main focus is on how people learn in the context of collaborative activity and how to design the technological settings for collaboration.

International Journal for the Scholarship of Teaching & Learning (IJ-SoTL)

<http://www.georgiasouthern.edu/ijstol/>

With the inaugural issue scheduled for January 2007, this journal will be published by the Center for Excellence in Teaching at Georgia Southern University. The scholarship of teaching and learning (SoTL) is becoming an international movement or momentum for an evidence-based approach to teaching, and may be the best way for individual faculty, and a campus as a whole, to improve teaching effectiveness by learning more about how students learn in significant, enduring ways and how to teach for such learning. The emphasis of the journal is effective teaching.

International Review of Research in Open and Distance Learning

<http://www.irrodl.org>

IRRODL is a refereed journal geared to advance theory, research, and practice in open and distance learning worldwide.

Internet and Higher Education (INTHIG)

<http://www.elsevier.com/locate/iheduc>

IHE is a peer-reviewed journal about the theory and practice of online learning, and enhancing instructional practices and productivity via the use of Information Technology (IT) and the Internet. Geared towards higher education faculty, staff, and administrators involved in online learning and the use of Internet for instruction.

Journal of Asynchronous Learning Networks (JALN)

<http://www.sloan-c.org/publications/jaln/index.asp>

Sponsored by Sloan-C and Vanderbilt University for the ALN Center. The site also has other valuable online publications, such as the ALN-Magazine and the Sloan-C Catalogue of Online Education Programs.

Journal of Distance Learning

<http://www.deanz.org.nz/journal.htm>

A refereed journal published annually by DEANZ (Distance Education Association of New Zealand). It publishes theoretical and empirically based research articles, research notes, reports, and case studies of practice, and reviews by those involved in distance education and open learning.

Journal of Distance Learning Administration

<http://www.westga.edu/~distance/ojdl/>

The Journal of Distance Learning Administration is a peer-reviewed electronic journal offered free each quarter over the World Wide Web. The Journal welcomes manuscripts based on original work of practitioners and researchers with specific focus or implications for the management of distance education programs.

Journal of Educational Multimedia and Hypermedia

<http://www.ace.org/pubs/jemh/index.html>

This is a multi-disciplinary forum to present and discuss research, development and applications of multimedia and hypermedia in education. The main goal of the Journal is to contribute to the advancement of the theory and practice of learning and teaching using

these powerful and promising technological tools that allow the integration of images, sound, text, and data.

Journal of Instructional Science & Technology

<http://www.usq.edu.au/electpub/e-jist/>

This journal is published by the Published by the Distance Education Centre University of Southern Queensland, Australia.

Journal of Interactive Learning Research

<http://www.aace.org/pubs/jilr/default.htm>

This journal, among others in print, is available on the AACE website.

Journal of Interactive Learning Research (published by the Association for Advancement of Computing in Education)

<http://www.aace.org/pubs/jilr/>

The Journal of Interactive Learning Research publishes papers related to the underlying theory, design, implementation, effectiveness, and impact of interactive learning environments in education and training.

Journal of Interactive Online Learning

<http://www.ncolr.org/jiol/about.html>

An online publication of the National Center for Online Learning Research, and a joint effort of the University of Alabama and The University of Idaho.

Journal for Interactive Media in Education

<http://www.jime.open.ac.uk/>

This online journal dedicated to the field of online learning has articles, book reviews, conference reviews and more. The journal website has excellent archives.

The Journal of Language Learning & Technology

<http://llt.msu.edu>

A resource related to OLE's and their impact on foreign language instruction.

The Journal of Library Services for Distance Education

<http://www.westga.edu/~library/jlsde/>

It is a peer-reviewed e-journal.

Journal of Online Mathematics and its Applications

<http://www.joma.org>

A publication of the Mathematical Association of America (MAA). JOMA is the journal of the Mathematical Sciences Digital Library (MathDL). The peer-reviewed journal features innovative, class-tested, web-based learning materials, articles on design and use of online materials, original research on student learning via online materials, surveys of existing online materials.

Journal of Technology, Learning, and Assessment

<http://escholarship.bc.edu/jtla>

The JTLA was established in 2002 in response to a growing interest in the intersection of computer-based technology, learning and assessment. The JTLA is housed jointly in the Technology and Assessment Study Collaborative (inTASC) and the Center for the Study of Testing, Evaluation and Educational Policy (CSTEPP) at Boston College.

Journal on Excellence in College Teaching

<http://celt.muohio.edu/ject/>

A peer-reviewed journal published by and for faculty at universities and two- and four-year colleges to increase student learning through effective teaching, interest in and enthusiasm for the profession of teaching, and communication among faculty about their classroom experiences.
